

- ✓ **Do you have diagnosed Parkinson Disease?**
- ✓ **Do you want to have fun with your peers?**
- ✓ **Do you want to know more about your brain function?**

**If you answered YES, then you may qualify for a VA sponsored research study.**

**We are studying the effects of Tango and Health Education in people with Parkinson Disease on cognition, mobility and balance.**

**We also are investigating brain function before and after participation.**

**This study requires:**

- **Three 2-3 hour testing visits including mobility and cognitive testing and fMRI imaging.**
- **Participation in a tango or health education class twice per week for 12 weeks.**

**For information, please Call  
Dr. Madeleine Hackney @ 404-321-6111, ext. 5006**
